: REVOCATION OF ATTORNEY

This is in response to paper submitted July 22, 2002, entitled "REVOCATION OF POWER OF ATTORNEY OR AUTHORIZATION OF AGENT". The paper, Form PTO/SB/82, seeks to revoke the power of attorney given to Christopher M. Humphrey of Alston & Bird which was supplied at the time of filing of the application over the signature of inventor Anton-Lewis Usala. This application was by the inventor assigned to ENCELLE, INC., as of June 18, 2002. As the Revocation paper was not received until after the assignment of the application was effective, and as there is no evidence of concurrence by the assignee to the Revocation, the Revocation is DENIED.

Through inadvertence the Revocation was accepted and the mailing address changed and the Office action mailed November 4, 2003, was mailed to the wrong address. Office records will be corrected and the Office action remailed to the correct address.

Should there be any questions with regard to this letter please contact William R. Dixon, Jr. by letter addressed to the Director, Technology Center 1600, PO BOX 1450, ALEXANDRIA, VA 22313-1450, or by telephone at 571-272-0519 or by facsimile transmission at Office facsimile number.
